The Democratization Of Consciousness – Part III: Equality

Excerpts from the Satsang “The Democratization Of Consciousness – Part III – Equality” (MP3 A84)

“The equality that I really want to focus on is ‘In the Beginning was the Word’; we *are* created equally. If you look at the size and shape of everybody here, even physically it is obvious that you are all different. Some of you don’t even speak the same first language.

“But, we are not talking about things on this level – we’re talking about Spiritual. So, we *are* equal. We’re equal in our Responsibility. We’re here to Know and see the Face of God and Know ourSelves as Spirit. And everyone has the same job, the same Spiritual Destiny.

“We are all going to complete our karmic rounds and go Home to God. We *are* all equal that way.

“And we all bear the Responsibility equally of the (Spiritual) Progression. For all of HU-mankind the best thing a Soul can do for all of HU-manity is to go on and Grow and Fulfill Its Spiritual Destiny.

“And we *are* all equal in the Face of God. It doesn’t matter how much money you have, don’t have; what color your skin is; whether you are male or female; whether you have had an operation to reverse that; it doesn’t matter. It doesn’t matter what your native tongue is; none of that stuff matters. It is the greatest democracy of all.

“We are, in the final analysis – and not to use this word as people use it but in the sense of energy, Spiritually – and that is judged. We are all held accountable. We are held accountable and judged, as it were, by just how much Love we have for God. And how much we have used our life as intended, which is to Lift and Grow. And, as an Initiate of the Path, of a Sound Current Path, how much we have followed that Practice.

“And this might come as a shock to some Westerners who can’t tolerate the idea because, in the West especially, we are really locked into the ego. So we think that there is separation between people and because there is a separation between people then what you have to do is you then use the power and control access. So that somehow if you are fortunate and Blessed enough to be working with a Spiritual Teacher, you perceive Him as above you and you are below Him in power and control and so you play this game. But that mirrors the game we play with God. That God is ‘above’ us and we are ‘below’ and we have to keep using power and control instead of Learning to be in a Loving Relationship.

“And we know that – and this is a crucial part of the equality of the Democratization of Consciousness – we know that in a Sound Current Path, that there is no progress without, whatever you want to call that Being, the Teacher, the Master, etc. There is no Progress without God’s Representative. There is no Progress. And yet He stands before you as an equal – not better, not less than you – but as an equal. And the Soul That is within That has Fulfilled Itself and is Awake on the levels that you are sleeping on. And so It comes into the body and extends a Helping Hand and Demonstrates God’s Love and Compassion, but It is an equal.

“And so many of you spend time fending off that Love and that Grace. Because you have to Know that you *are* worthy. And basics, being that lower part of our consciousness, tend to confuse our parents with God.

Because in our universe who is more God-like than our parents? And so we tend to think that God has the same qualities as our parents or parent and acts the same way.

“And one of the things that happens in the maturation of a Soul is you get to stand in an equal relationship as you do psychologically with your parents or parent or key figure but also with God. But that only comes after the Soul starts to Know Itself and sees where God is and sees What God is, Which is God living inside of you as God in you and It is a *Living* God.

“It is not something you read about in the Bible who spoke to the prophets and that was it. I always get a kick out of religions that for no other reason than the prophet who brings forward this religion – he is the last prophet of God, the last and final in fulfillment. Which immediately closes the door on any further development or anything else like that.

“But the Truth is God is still operating. He ain’t dead. Those were rumors. God is not dead. He is *alive* and well and lives in us. And He needs us to fulfill Himself. We are cells in His Body. And, as we wake up, His Body becomes a Light. That is the Body of Christ, as it were, Body of the Christed Consciousness of the Oneness.

“And equality has very much to do with individual Surrender. Individual Surrender to God. Not a surrender to anything outside yourSelf – not a surrender to belief – not a surrender to dogma but to the Living God in you.

“Some of you ask why do I need a Teacher to do that if I have God inside of me? I don’t think God would waste His Time or His Energy representing Himself here on this planet if HU-man Beings didn’t need That. It is because we have forgotten Who we *are* that we need the constant reminder and the constant Focusing and the constant, as it were, Spiritual Correction.

“It is very important if you are a Student of this Path to really immerse yourSelf in It and to make contact with It as often as you can. It is very important. Because that keeps the Consciousness Focused – that keeps It Attuning – that keeps It in an Upliftment Agreement.

“It is so easy to get sidetracked by our own mind, our own emotions. But when we enter the Forcefield of the Living God, guess what? If we are locked out of It within us and there is a Temple of Light and Sound that has been established in the world and the Soul makes contact with It, It is reflecting back to that which is asleep in It or which It is outside of for a while and It gets to back inside of Itself. It gets to be refreshed.

“And HU-man Beings can equally forget that we *are* Spirit. We can be equally stupid, the karma can be upon us. There is no discrimination in the giving of karma. You create karma; you *are* Responsible.

“Some of you are very cute about it. You love to think ‘Oh! God’s Grace. That means I am not Responsible’. No. God’s Grace means that there is a Way for you, in a sense, to Lift beyond it. And you are still Responsible for that karmic creation that you did. Some of you play this funny game of not being Responsible for that karmic creation that you did. Some of you play this funny game of not being Responsible because of God’s Grace but you *are* Responsible. And that’s really important!

“And
we
are
all
equal
in the
Face
of
God.”

-- From the Satsang
“The Democratization Of
Consciousness – Part III:
Equality” (MP3 A84)

“But we are also Responsible for Loving God. And That’s Where our Focus needs to be and everyone – every Soul has that Responsibility – everyone has that right – everyone can vote into Spirit. Not into negativity but into Spirit!

“And, lastly, I just want to say that the whole planetary system – the whole reason for our being here has everything to do with This: the Progression of the Soul and what happened Spiritually a couple thousand years ago when things were democratized and our Responsibility. God waits on us to Fulfill ourSelves. God is patient. His patience is called reincarnation. But, if you are really, really, really Focused into That Which you *are*,

once you have tasted, as it were, the Nectar of Spirit – What’s been given to you through Initiation – then all the drive into the world and everything starts fading. It starts pulling back and all you want to do is taste the Nectar of God *within*.

“We Know where the Spiritual Heavens are: They are *within* us. We know where the Mansions are, ‘In my Father’s House are many mansions’; we know Where They are, we Know What They are. Every Soul has That Truth. It is not True for just some Souls. But it is True for all Souls. So we are equal at the Beginning; our task is equal; and the end point is equal for all.”

Dear Cosmos Tree

Q: Up until now, since 1980, every time that there’s been a powerful opportunity for financial and business success something happens – a car accident, illnesses – then there’s a clearing, positive things happen, less pain, etc. then boom! Another car accident or I have a great court case and a lazy attorney screws it up or money was left to me in a will and the executor doesn’t follow through. What’s really in the way of my attracting the opposite of what feels like a real smooth intended journey? - V.M.

Dear V.M.: The writer of this section can’t answer the question; she can only provide a Program to follow that, as instructed and brought forth by Our Teacher, helps readers focus into the Spirit they *are* by Living The Teachings.

To Reinforce Your Learning: 1. Beginner: *Tools For Living Free* “How To Run A Business/(Your Life) Spiritually”; “Being Present”; The No-History Lesson”; “Using The Tool Of Gratitude”; “Surrender Everything!”; The Sunday Program; Being in the Presence of Dr. Lane; The Money Workbook; Intermediate: Fear, Hurt, Pain and Other Attachments Class; Everyday Evolution 1 Class; Meditation; Meditation For Health And Well-Being; Open Hour; Sessions with Our Teacher; 3. Advanced: 1, 2 and, if you haven’t already, request Initiation into the Sound Current on the Path Of Soul Transcendence! If you are an Initiate, do Service as Approved by Dr. Lane.

Dr. Lane adds: Dear V.M. – I am unable to answer your question because of its negative focus into the opposite of “smooth sailing.” I only bring forth Teachings for your Upliftment and Growth. I wish, however, to make some comments on your question itself.

Even if you truly wish to attract “the opposite of what feels like a real smooth intended journey” your focus is not even on what you want but rather it’s on what’s “really in the way.” You are busy, V.M., doing combat - fighting the “enemy” (the obstacles) – rather than living the Teaching of Co-creating with the Lord, God for what you wish, all for the Highest Good. Please also know that removing the “obstacles” does not achieve your goal.

Rather than engaging in this ego process, please Trust, Allow & Receive along with the Co-creation Process!

Your question also demonstrates the need for you to shed your ignorance – the ignoring that you *are* Spirit – and practice Giraffe Consciousness: the Knowing that everything is brought to you for your Upliftment and Growth. Your question implies that it is either incorrect that accidents, illnesses, court cases handled poorly are in your life or that you are doing something “wrong” but, in either case, you are ignoring that this karma is here for your Learning and is dissolved when done.

I Lovingly Suggest that you practice Giraffe Consciousness and hold in the forefront of your Consciousness the Purpose of HU-man life, Which is to Know yourSelf as Soul, as Spirit. To do so, do the Spiritual Practice *exactly* as Taught at the Time of Initiation if you are an Initiate of the Sound Current on the Path Of Soul Transcendence or, if not, choose to be and fulfill the Purpose of the Lord, God’s having given you HU-man life.

I wish also to state that your question has a built-in value system of “good” and “bad”; I Lovingly Suggest you leave this reflection of being in duality behind and practice Proper Identification of yourSelf as Soul, as Spirit, living in the Oneness of the Lord, God.

I hold you in My Heart, V.M.

Try This ...

From the Satsang excerpted in this *Tools For Living Free*:

“... I was in the country by water and I just decided I wanted to go to the beach and be next to the water, etc. And I got there and there was this religious group hogging the entrance and they were by the hundreds and they were singing their songs and some “church language” or something like that. And you couldn’t even hear the waves. It was really disruptive. And I was really annoyed. I come and I just wanted to look at the water a few minutes, hear the sound of the waves and they were just singing their songs and they were in the way. It was hard to even get on the beach – they were blocking the entrance. And they sure as hell didn’t care.

“And then, of course, Spirit told me to drop back inside and go where I *am* Spirit, to get away from the karma that was around. And for me to just go into Spirit. And I just did that. And when I did that guess what? Not only couldn’t I care less that their karma was pressing all against me – but I got to see the Truth of them. And that they were Expressions of God. ...”

Let’s begin by calling in the Light Of The Most High by saying “Lord, God, send us Your Light!” Now, drop back inside yourSelf and Focus into Spirit! Go where you *are* Spirit!
