NUMBER 143 IN THIS EDUCATIONAL SERIES

Our Responsibility For Now Taking Initiation Into The Sound Current

Excerpts from the Satsang "The 'Democratization' Of Consciousness – Part III: Equality" (MP3 A84)

“... And we know that the ‘Democratization’ of Consciousness of Spirit has to do with the shared Blessing and the shared Responsibility of having in our Soul, put into our Soul, distributed, as it were, the Christed Consciousness. Or that Consciousness at One with God. That no longer do we have the times of Pharaohs, as it were, Emperors, etc. as Soul, Divine incarnates. But now is the time where *everyone* has that Responsibility. That is the key word: it is our Responsibility to exercise That and to fulfill That, and That is our Purpose here on this planet.

“And so many of you walk around saying, ‘I don’t know what I’m doing here; I don’t know why I was born. What should I do?’ Well, you Know. Now you Know. You are here to Know yourSelf as Spirit and to Love God and to Love yourSelf because you *are* Spirit and to En-Joy the life that God gave you. That is the whole Purpose of HU-man life. Real simple.

“So the ‘Democratization’ has to do with our Responsibility. And, like any good democracy, the main feature of it is that its citizenry has the right to vote. And each Soul has that right.

“Now, obviously, we are not going to vote for a presidential candidate as a Soul. Which might be a very good thing - it is kind of hard to tell the difference anyway. But we vote for where we are going to place our Focus. We vote for what we are going to choose into, whether we are going to choose into karma, negativity, or whether we are going to create Positively along the Positive Axis or reinforcing the Spirit we *are*. And that is the vote we are given all the time.

“And it is very interesting but we may not be doing something physical, as it were. We are not pulling the lever of a machine, we’re not walking to the poll station, etc., to cast our vote. So we don’t think it is of any consequence or of any importance. But let me tell you something! Every thought you have, every emotion you choose to run, every action you take goes with you as a Soul and you are Responsible for it.

“And those are all what is called karmic creations. And we know that The Teachings that I am involved with - we don’t bother, we don’t focus on karma. We Focus on Knowing yourSelf as Spirit and Loving God.

“And we work with God’s Grace. And this is very important because with God’s Grace, as a sign of It and, as a sign of His Mercy, we have Initiation. Initiation of the Soul into What is called the Sound Current or the Holy Spirit.

“And the Soul starts to wake up and to Know Itself as Spirit. And in that Process, through the Grace of God and through the Student applying The

Teachings *exactly* as brought forward, we get all that stuff that Souls seem to worry about - karma, past life karma, future karma - all that stuff is handled because that is not our Focus. Our Focus is to come to Know ourSelves as God and the Responsibility of This.

“So it doesn’t do any good to worship one person and go ‘Oh wow! He’s God-realized.’ First of all, what do you mean by God-realized?

“You see it was very interesting; we had an Initiation recently and there was Somebody saying – ‘Can’t I just say the name of Jesus Christ?’ Well, that is not going to do you any good because the Christ exists on all the levels. [ed.’s note: Dr. Lane is referring to the levels until the Soul has entered into Eternal Life or, up to and including, the Soul Realm]. So the frequency that that person experienced the Christ on was there for that Soul. But that Soul was already awakened to that level. It wasn’t going to lift any further.

“So that through Initiation we receive that Great, Great Gift. And even for Souls choosing to not Walk this Path this lifetime - they still have, in a sense, the Grace. And the Grace may be, even if it is creating no more karma, by choosing into what they perceive as Spirit. Then that may be enough of an education for that Soul for this lifetime. Although, if you have been given the Gift of Initiation, I Lovingly Suggest you wise up to What you have really been given and What you really have. Because we also know that ‘Wide is the way, but narrow is the gate that leads unto Eternal Life’.

“There is the Way of the Christ, and That is What leads us into Eternal Life. It is not the Christian way; It is not the Catholic way; It is not anything that has to do with church stuff. But it is the way of the Christed Consciousness. That, and once again, as it was said at the beginning of this Series - each of us has It now and we are all Responsible.

“So that we *are* Responsible now for taking Initiation into the Sound Current and being established ourSelves into Eternal Life. Because ‘In the Beginning was the Word, and the Word was with God’, Which is proof that we are equal. Because in the Beginning, the Word, the Sound Current was with God. And God created us as Souls from the Sound Current, from the Holy Spirit, from That which He *is*. So we are all created equally. But, what we have done in our inevitable style as ‘human beings’ is that we have forgotten what Human being means; we think It means that everybody has to be the same.”

“You don’t have to jerk a Soul Awake. It won’t work. I guarantee you. But see! This is the equality: we are all Expressions [ed.’s note: Dr. Lane is referring to

**“You are
here to
Know
yourSelf
and to
Love
God and
to Love
yourSelf
because
you *are*
Spirit and
to En-Joy
the life
that God
gave you.”**

-- From the Satsang "The 'Democratization' Of Consciousness – Part III: Equality" (MP3 A84)

an example that Dr. Lane gave: “I wanted go to the beach and ... I got there and there was this religious group hogging the entrance and ... they were singing their songs ... and you couldn’t hear the waves. It was really disruptive. ... they couldn’t have been more annoying”; and “I got to see these were Expressions. God’s Expressions here on this level.”] But let’s not make the mistake of thinking we are on the same Vibratory Frequency, at that same Frequency. Some are Vibrating at five, some at ten, some are twenty, whatever. Some Souls are awake on some of the levels in the inner world, some aren’t. Some have karma here, some have karma there etc. [ed.’s note: Dr. Lane is referring to the different levels where there is karma below the Soul Level.]

“But we all want to make it equal. It doesn’t work that way. But as Souls we *are* equal. And as Loving Expressions we *are* equal. And as God’s Opportunity to Know Itself as God we *are* equal. And we *are* all equal in the Blessings we do have. And we are equal in the power of the Spirit that we really *are*. And we *are* equal in our Responsibility. We *are* equal in that we all have a right to vote. And we *are* equal in having to Surrender to the simple Truth of God’s Will. We *are* all equal, folks! Ain’t no one Messenger embodying that all by Himself. All of us have That.

“And we all have a part of and have access to God’s Grace. And it is that simple.”

Case Study

My Teacher, Dr. Roger B. Lane, says in the Talk, “The ‘Democratization’ of Consciousness – Part III: Equality”, “... And Know that there is always Grace and, just because we don’t like how the situation looks, doesn’t mean that it is something that is not good. All of us are equal in the sense of falling for that stuff.”

The other day I almost fell “for that stuff”. It was the evening of Satsang (the monthly Spiritual Instruction given by Dr. Lane). I was preparing my house, my kids, my space to call into the teleconference to participate when my eldest daughter suddenly seemed ill. She was screaming and crying in pain. I began to panic, “Should I take her to the emergency room?” “Should I skip Satsang?” Questions, thoughts and action-plans flooded my head.

Instead of running with fear and worry, I chose to exercise my Responsibility to the Spirit I *am*, by staying Focused in Spirit. I participated in Satsang and placed mySelf in the “Forcefield of the Living God” (Dr. Roger B. Lane, “The ‘Democratization’ of Consciousness – Part III: Equality”). I put the situation into the Light Of The Most High for The Highest Good and asked the Lord, God and My Teacher that a Healing be sent to my daughter. Finally, I did Self-Talk by educating my basic selves, the parts of me that bring forward my karmic patterns, like this: “basics, come forward! We are okay! I need you to stay Present now! Thank you for your Loving Cooperation!”

After Satsang, I stayed Present; Chanted My Tones, Which is the Meditation Technique Taught at the time of Initiation, and kept Returning to the Upper Part Of The Third Eye; and the trip to the Immediate Care Center with my daughter was miraculous. There was no wait in the waiting room; the nurse was ready for us in the exam room; my daughter followed all instructions easily; and she no longer had any pain. She was given a positive diagnosis for infection so we promptly headed over to the pharmacy where the medication had already been dispensed and was waiting for us!

The next day, I continued to support mySelf and the situation by asking the Lord, God and My Teacher for another Healing and continuing to be Present, by placing the illness into the Light Of The Most High for the Highest Good. Later that day, I received a call from the lab. The patient sample results were actually negative – there was no infection detected!

As Dr. Lane says in “The ‘Democratization’ of Consciousness – Part III: Equality”, “when we are Focused in Spirit and in the Spiritual Pattern of Upliftment and Spiritual Fulfillment, we Know that God’s Grace operates everywhere.”

For me, “everywhere” is the key word here. Grace is everywhere and extends equally to the happy moments in my life as well as to the illnesses, broken household items, and tantruming toddlers. If I do my part and stay Focused on Loving God and Allow Grace to rule, the rest is handled and, regardless of the outer circumstances, I live in Joy!

Try This ...

From the Satsang excerpted in this *Tools For Living Free*:

“This planet brings in the dimension of time and space. Spiritually, they don’t exist. But we go through time and space.

“So what better way to go through time and space than to go through it with God? With yourSelf moving in that Oneness of the Holy Spirit, of the Sound of Who you *are*.

“I see so many of you trying to live your life and then do your Spiritual work. And you never surrender your agendas, you’re going to live your life. And you forget one thing; it is not your life. God created you. It is God’s Life. You are His Expression.”

Let’s begin by calling in the Light Of The Most High by saying “Lord, God, send me Your Light!” Now, allow your agenda to come forward and just sit with it! [Pause] Now, inside youSelf, ask the Lord, God to take your agenda from you! And tell yourSelf “(your name) It’s okay to let it go!” Now, allow yourSelf to be Filled with God’s Agenda, the ONLY AGENDA!

Step-by-Step

Here’s A Quick Reference List To Use For Daily Practice:

1. Call in the Light Of The Most High by saying, “Lord, God, send me Your Light!”
2. Now, allow a situation to arise in which, up until now, you have separated yourSelf from En-Joying the life God gave you.
3. Now, inside yourSelf, ask the Lord, God to take this separation from you now!
4. And tell yourSelf, “(your name) It’s okay to let the separation go!”
5. Now, ask the Lord, God, to give you the direct experience of En-Joying the Sacred Gift of the Life the Lord, God gave you! Repeat as often as needed.
6. Gain Spiritual Strength by attending Classes; Meditations; Meditations For Health And Well-Being; and by placing yourSelf in the Presence of The Teacher, Dr. Lane!
7. Request Initiation into the Sound Current on the Path Of Soul Transcendence by contacting the NYC Home Center or any Regional Center.
